EDUCATION SECRETARIAT

Dated 6th November 1950.

Subject :—Nuffield Foundation Travelling Fellowships—Awards to Indian Graduates.

No. E. 7571—Edn. 97-50-34. A copy of the letter No. D. 5854—50, dated the 13th September 1950, together with its enclosure from the Government of India, Ministry of Education, on the above subject, is published herewith for general information.

By Order of His Highness the Maharaja,

A. C. NIRVANI GOWDA,
Secretary to Government,
5980 *Education Department.*

Letter No. D. 5854—50, dated 13th September 1950, from the Deputy Secretary to the Government of India, New Delhi, (Ministry of Education), New Delhi.

Subject :—Nuffield Foundation Travelling Fellowships—Awards to Indian Graduates.

I am directed to enclose a copy of the announcement of the Nuffield Foundation, United Kingdom, regarding the award of Travelling Fellowships to Indian Scholars, both men and women.

The offer may kindly be given *wide* publicity and suitable candidates be advised to submit their applications not later than the 31st March 1951, to the Secretary, Nuffield Foundation Indian Advisory Committee, care of Planning Commission, Government House, New Delhi, from whom copies of the form of application can be obtained.

Nuffield Foundation Travelling Fellowships—Award to Indian Graduates.

The Nuffield Foundation, with the object, of advancing the interests of India as a whole and further strengthening the academic ties between India and the United Kingdom, has decided to make available to India five travelling fellowships for the year from 1951-52. An Advisory Committee in India has been appointed by the Foundation to advise them on the administration of the scheme, consisting of Shri Gaganavihari L. Mehta, Member, Planning Commission (Chairman), Shri S. Varadachariar, Dr. C. V. Raman and Shri J. J. Gandhy. It has been decided to award the Fellowships for the year 1951-52 in the following subjects:—

2. Two Fellowships in Medical Sciences, preference being given to candidates wishing to study (*i*) Physiology or Bacteriology and (*ii*) Industrial Medicine or Public Health.

3. One Fellowship in Engineering, preference being given to candidates wishing to study Electrical Engineering (Generation or Distribution).

4. One Fellowship in Natural Sciences, preference being given to candidates wishing to study Plant Genetics or Soil Science, and

5. One Fellowship in Social Sciences, preference being given to candidates wishing to study Industrial Relations or Personnel Management, and Agricultural Economics.

6. The purpose of the Fellowships is to enable Indian graduates of outstanding ability to gain experience and training in the United Kingdom in their chosen fields, and to make contact with scholars working in those fields, with a view to the Fellows equipping themselves to take up senior posts in research and teaching in India.

7. The Fellowships are intended for men or women of first-rate intellectual and personal qualities, who have already shown unusual capacity to advance knowledge and teaching in one of the fields concerned. Candidates must be India nationals, normally between the ages of 25 and 40 years, and must be university graduates holding, preferably, a Master's or Doctor's degree, and having subsequently had a year or more of teaching or research experience on the staff of a University or comparable institution.

8. A Fellowship will normally be tenable for one year, but in exceptional cases may be extended for a further period of a few months by the Trustees and after consultation with the Foundation's Advisory Committee in India. Its value will be adjusted to suit the needs of the holder. It will be made on the basis that the Foundation provides the Fellow with free board and residence, and meets approved travelling expenses to, from and within the United Kingdom, and approved research or like fees. The only payment made direct to a Fellow will be an allowance to cover other personal expenses. It is estimated that the total value of an award (exclusive of travelling expenses) will be at the rate of from £ 770 to £ 890 a year (sterling), according to individual circumstances.

9. In addition, the Foundation will pay the travelling expenses to and from the United Kingdom of a Fellow's wife, if he is married at the time he makes his application, in those cases in which the Advisory Committee agrees to a Fellow being accompanied by his wife.

10. A fellow will be expected to resume residence in India on the completion of the Fellowship.

11. Except with the express permission of the Trustees of the Foundation, a Fellow may not hold any other award concurrently with the Fellowship.

12. A Fellow will be required to carry out, at centres approved by the Trustees of the Foundation, a programme of research work and training, similarly approved. Other work, paid or unpaid, may not be undertaken without the permission of the Trustees. During the tenure of the Fellowship a Fellow will not be permitted to prepare

specifically for, or to take, examinations for higher degrees or diplomas awarded by bodies in the United Kingdom.

13. A Fellow will be required to submit to the Trustees, at the end of the Fellowship report on his work during the Fellowship.

14. Should the trustees at any time find that a Fellow neglects or has neglected the obligations of the appointment, they shall have power immediately to terminate the Fellowship.

15. The Fellowships will be awarded by the Trustees of the Foundation on the recommendation of its Advisory Committee in India.

16. Applications for Fellowships to begin in 1951 should be submitted not later than 31st March 1951, to the Secretary, Nuffield Foundation Indian Advisory Committee, care of Planning Commission, Government House, New Delhi, from whom copies of the form of application may be obtained.
